OVERVIEW

We are pleased to present you with UGK Community First's "UGK-CF Jubilee"

Get ready for an extraordinary affair this Juneteenth that's as flavorful as it is impactful! Underground Kitchen Community First Juneteenth Jubilee commemorates the emancipation of enslaved African Americans, marked on June 19th, 1865, in Galveston, Texas. This momentous event, two and a half years after the Emancipation Proclamation, signifies a delayed but pivotal moment in American history. This event honors the spirit behind this history, and we hope that you will join us in celebrating freedom, unity, and the enduring spirit of community at the UGK-CF Juneteenth Jubilee!

Our event pays homage to Juneteenth traditions through bites curated by culinary virtuoso Steve Glenn, live music, and dancing. From tantalizing wine and liquor tastings to artisanal fruit and cheese pairings, prepare to embark on a gastronomic journey like no other, brimming with delightful offerings that The Underground Kitchen is so well-known for.

Moreover, our celebration isn't just about indulgence; it's about making a meaningful difference. Proceeds support UGK-CF Future Foodie programs, providing nutritious meals to daycare kids, and empowering our upcoming collaboration with SOAR365, contributing to meaningful causes that uplift and support the community. Together, we'll not only delight our taste buds but also nourish our souls and uplift those in need. Join us in honoring the sacrifices and contributions of African Americans throughout history as we commemorate this significant milestone in our nation's journey towards equality.

EVENT LOCATION

Located behind the Annie Marie Giles Community Center, our kitchen garden emerges as the quintessential setting for hosting summertime events.

As summer arrives, our garden will explode with vibrancy, showcasing a kaleidoscope of wildflowers, fragrant herbs, juicy tomatoes, and an abundance of native plants as part of our heritage garden. An array of tables will be available according to our sponsorship packages, providing an opportunity for local organizations to shine in partnership with UGK Community First. It's more than just a gathering; it's a celebration of community spirit and collaboration, where every purchase contributes to our shared vision of prosperity and unity.

INTENDED REACH

Our UGK Jubilee opens tickets and tables for organizations, vendors, and individuals eager to support our cause.

- Schools, daycares, and universities
- Hospitals, clinics, and healthcare centers
- Vendors, such as spirits and wine
- Farms, food producers
- Individual donors, corporations, and organizations

FUNDING DESIGNATION

Funds generated from the purchase of our sponsorship and ticket packages will be strategically allocated across our diverse range of programs.

FUTURE FOODIES PROGRAM

Our Future Foodies program brings top-tier chef-crafted meals to children's plates. In collaboration with USDA and the CACFP program, we prioritize quality in ingredient sourcing and flavor, making delicious and nutritious options accessible to your young ones at a reasonable cost.

The proceeds from the UGK Jubilee will directly support essential components such as food costs, delivery, and labor, ensuring the sustainability of our Future Foodies program, and enhancing our chef-crafted approach loved by children.

SOAR365 PROGRAM

UGK Community First and SOAR365 are proud to announce an extraordinary food service collaboration. With comprehensive facilities and a nurturing and secluded environment, SOAR365's Camp Baker respite and summer camp program offers itself as a safe haven where disabled individuals can find solace and joy amidst nature.

The funding secured through this event will significantly enhance our project's budget, enabling us to expand food security initiatives for disabled individuals at Camp Baker, and sustain year-round cooking activities in collaboration with SOAR365's respite program.
